

Work Order Request

As is stated by law, tenants must request work orders in writing.

This work order request does not mean a repair will occur. If you do not see a repair or hear from this office regarding your request, you are welcome to call the office for explanation. Please refer to your lease and security deposit agreement for repairs that will be your financial responsibility.

The Landlord Tenant Law states the required waiting time for repairs is:

- 24 hours for no heat or cold water, heat or electricity, or for a condition imminently hazardous to life.
- 72 hours for repair of refrigerator, range and oven, or a major plumbing fixture supplied by landlord.
- 10 days for all other repairs.

In case of a true emergency, call our main line 733-7944. If after hours, call 733-7944 and follow the voice directions.
